Head of Crew Resources and Planning - E Danecka - Latka

e, pc, Att.ne Avv.ti Simone Gambuto, Giuseppe Cucurachi e Alessandra Pisati

Subject: 'Airport stand-by' Introduction.

We understand you have turned on ' AirPort Standby'.

Analyzing the indications distributed to the crews, we have noticed some aspects in potential contrast with the reference legislation.

We are therefore requesting a meeting to elaborate the appropriate clarifications also with respect to other issues relating to the 'operational area'.

Waiting for your reply Kind regards
